ILFI INVITE ATTENTION to some of the PECTORAL SYRUP

DR. REYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES.

Dr. Kryssk:—My wife has been afflicted with a tast cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been ferreditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cant bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also stath that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Privatures, Nov. 18, 1858.

Dr. Keyser —Although not an advocate of Patent Medicioes, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and heareness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

vere cold.

I have been, more or less, in my life, affected with the severest of colds and hearsones. At times my threat would become so closed as to prevent my speaking above a whisper, and by taking a few does of the above figure it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found; purporting to ours the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDW ARD J. JONES,

Oanbier Citizens' Deposit Bank.

COL. PRATT AND DR KEYSEE'S PROTORAL SYRUP.—DR KEYSER—Dear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in asying that it is all you say it is. **Alknowled the moise out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "His no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am consideral can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper E. F. P. Rall. READ THE TRUTH.—DR. KRYEER: I have a daughter who has taken several medicines for a bad cough without benefit—among them Apri's Cherry Pectors!—I purchased from you a bottle of your PECTORAL SXRUP, and before she had used balf a bottle she was relieved. The second bottle cured her entirely of her cough

Robinson street, Allegheny.

A GREAT CURE BY DR. KEYSER'S PECTORAL SYEUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced acout the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PECTORAL COUGH SYRUP.—which I did, and after I had taken one bottle I BYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and splitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

Witness—B. M. BERR. Peebles townhip.

PATTOR Tr., April 14, 1827.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of sithout benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pecteral Syrup, which I gave him, and it entirely cured him, to the astonialment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pecteral saved his life.

JOHMN' GINNIS.

DR. KEYBER'S PECTORAL SYRUP IN BLAIRS-VILLE.—Please send me another supply of your valuable "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixten bottles is at week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blainville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully.

J. E. WATTERSON & BONS. January 30, 1860.

ANOTHER NEW ORRTIFICATE—DR. KEYSER'S
PECTORAL SYRUP.—I had been troubled with a cough
and cold for several weeks—so bad was it that I could not
elsep. I had the advice and prescriptions from three of
the best physicians in the city, whom i could name, but do
not do so. I finally procured a bottle of your Pectural
Syrup, which cured me entirely. Bigned,

"STOP THATGOUGHING."—'How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the collequy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the advisor's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our advent upon this mundane sphere. We congled steadily and laberiously for one whole week, in hopes of firing if out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired atrength potency and distressibility by the operation. In this stage of the stegs, we coughed our way to Keyser's, 140 Wood St. —procursed a firty cent bottle of the "Pectoral;" book it according to directions, and in forty-eight hours we were a master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough the Pectoral."—Droconvelle Chyper, Dec. 14, 1859.

Battle Creek, Mich., Dec. 21st, 1658.

Prof. Woos: Thee wilt please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chroic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain storf for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative, about the first of August last. I have faithfully followed the directions, and the bald spot is now cowered with hair thick and black, though short, it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to perseverve in its use, and being destitute of means to purchase any more, I would ask thee if thee woulds not be willing to send me an order on thine agents for a bottle, and receive to thyself, the scripture declaration—"the reward is to those that are kind to the wildow and the fatherless."

Thy friend, SUBANNAH KIRBY.

PROF. O. J. Wood: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scal was almost entirely breat of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the fitate of Indiana, my more cannal sequaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were not so much at a loss to discover the commenced to me by a druggist, as being the meet reliable Hai
